Margaret McCraw, Ph.D., MBA
Founder

Requirements:

- 1. Please respond to this ad with your resume.**
- 2. Give specific information about your sales experience**
- 3. Must have excellent verbal and written communication skills**
- 4. Must be energetic, a go-getter and have an upbeat personality**

Behavioral Healthcare Consulting and Training Institute has contractual positions available for direct sales personnel for our new call center. We are looking for dedicated, driven and talented contractual staff with an entrepreneurial spirit to sell our online training programs. Opportunities to be promoted to provide

oversight for the direct telephone sales team/call center are available. Leads are warm (no cold calling).

This is a long term engagement for individuals seeking growth opportunity. It involves enrolling attendees for our fast track on-line training programs in life coaching, corporate coaching, spiritual mentoring, and holistic health. We have hundreds of leads in our database and work with a lead generation company that provides fresh leads every day. We have targeted databases in which prospective clients have requested information about our accredited training programs.

Must be highly self-motivated, a terrific communicator, and an insightful closer. Come and partner with us to build a dynamic worldwide organization. We have a superb reputation and desire bright, energetic and ambitious sales personnel to help us move forward quickly.

This commission based position with bonuses entails the following:

- Direct sales of on-line training programs (five packages to choose from with payment plans and scholarship opportunities)
- Additional financial incentives for meeting targeted goals
- Work from home - live near Baltimore, Maryland
- Flexible schedule involves daytime, evening and weekend hours

BHC will provide the initial training to explain the program being sold to prospective students, concepts on the subject area and closing techniques concerning this subject matter. The subject matter of this program is one of the most desired training programs today.
